A nose of orange peel, dusty spice, licorice, cherry, dark fruit, and cola leads to a palate that's spiced and smooth, and offers notes of lemon, orange peel, and pepper. Water enhances the citrus notes, and also brings out bitter cherry, dried orange slices, leather, and cracked pepper. The finish has good length, with a fair amount of oak influence, orange marmalade, cigar ash, dark chocolate, and bitter herbs.

—Vol. 29, #1
