

Glen Scotia 15 year old

46%

After initial maturation in bourbon casks, this expression underwent a 2-month finish in first-fill oloroso sherry casks. Initially it offers char, then ginger, honey, and sweet smoke on the nose, with apricot tarts and toffee. The palate is quite earthy and peppery, with stone fruit, cinnamon, sea salt, and light smokiness. Medium length in the finish, with citrus fruit and salty oak.
