

Glenglassaugh Torfa

50%

The first peated expression from Glenglassaugh after reopening in 2008, Torfa is made from barley malted to 20 ppm and matured in bourbon barrels. Bonfire smoke, ozone, orchard fruits, malt, and black pepper are present on the nose. Slightly savory on the smooth palate, with sweet peat smoke, honey, dark chocolate, and a very mild maritime note. Ginger, apricot, and more sweet peat in the finish.

—Vol. 29, #3
