

Old Camp Wolf Moon 
Straight Bourbon

40%

Licorice, black tea, lemon, green apple, pomegranate, and almond on the nose. The palate is fruity, smooth, and light up front, with notes of dried orange slices, orange Creamsicle, lemon curd, and accents of nuttiness. The finish offers more orange, as well as flavors of vanilla cream and sweet raspberry, all spiced with an overlay of white pepper. Wispy and lacking deep complexity, but with balanced sweetness and some very pleasant notes.

—Vol. 29, #3
