

Hudson Manhattan Straight Rye (Batch 5)

46%

A well-choreographed interplay of rich dark fruit—plums, Luxardo cherries, Concord grapes—and deep spices on the nose, along with hints of wood char and licorice; it turns tropical and nutty when water is added. The palate is richly spiced—cedar, ginger, cloves, allspice—and silky with extra-dark chocolate, grilled plums, espresso beans, and hints of aged cigar. It ends rich and toasty, with lush oak, hookah tobacco, and coffee bean.
