Edition Straight Rye
50%

A nose of lemon drops, tea leaves, light barrel char, and herb-garden notes. The palate is honeyed, with lemon, licorice, herbs, and earthiness, balancing against vanilla cream and spice, all integrating well with the barrel. A lengthy finish is well-textured and spiced, highlighted by notes of tobacco, herbs, and chocolate. Creamy, spicy, and a bit unusual, this whiskey offers spiced complexity and impressive flavor balance on the palate.
