

Pinhook Rye'd On Kentucky Straight (2020 Release)

48.5%

The first whiskey fully distilled at
Castle & Key—site of the old
Colonel E.H. Taylor, Jr.

Distillery—since its revival in 2018.

A fragrant, floral nose offers
candied orange, lemon, toasted
almonds, and banana cream pie.

The palate is soft, with notes of
creamy vanilla, baking spice, and
pepper. A smooth texture
characterizes the finish, with notes
of banana and almond still
emerging. Youthful in profile, but a
promising start.
