

**Rogue Spirits Dead Guy  
American Single Malt**

**40%**

Tropical fruit on the verge of overripeness: pineapple, papaya, kiwi, plus jasmine flowers, almond halva, and the piney-lemon aroma of hops. The hoppiness is evident on the palate, which is light in body and consequently less expressive in flavor, though there's dry nuttiness and grain, overlaid with sweeping tropical fruit. More of the same hoppy, juicy fruit flavors juxtaposed with oak on the finish. If you like beery whiskey, this is one to try. (10,000 bottles)
