

**High West Bourye
Blend of Straight
Whiskeys (Batch 19L06)
46%**

A nose of herbs, candied oranges, cherries, treacle, and baking spice, with pleasant aged accents of leather armchair and earthy warehouse floor. The palate offers semi-sweet chocolate, spice, dark fruit, roasted pecans, blackberries, cola, and pepper. Water brings out richer chocolate, pistachio, and blackberry jam. The finish is nutty, spicy, and peppery, with balanced oak and light fruit. Excellent complexity, with spice melding well with notes of chocolate and fruit. (60,000 bottles)
