

**Elijah Craig Kentucky
Straight Rye**

47%

A welcome addition to the Elijah Craig family, this rye has rock-solid heft and flavor that doesn't quit.

The nose swells with cooked blackberries and raspberries, fruit leather, iced tea, cola, and stately oak. It's chewy and viscous on the palate, with more berries and grapes (often jammy), well-integrated oak, dark chocolate, and lush spice. The finish rides a long way on peppery dark fruit, wet walnuts, dark chocolate, and rich oak. *Editors' Choice*
