

Jane Walker

41.9%

Unlike the Jane Walker package for Johnnie Walker Black Label released in 2018, this is a new whisky altogether, a blend of various malts aged at least 10 years, including Cardhu and Clynelish. The nose is floral and gently nutty, with rose water, salted almonds, green apple, nougat, and caramel chews. Light-bodied and silky in the mouth, it has bright flavors of lime, lemon, vanilla, and coconut, before edging into nutty milk chocolate and finishing with good length, and a final savory note. *Best Value*
