2000 Single Cask (Cask  
No. 309927)**

**50.8%**

Aromatic on the nose, with vivid fruitiness mingling with briny, rubbery peat: grilled apples and pears, lemon zest, and peach slices. On the palate, it presents as simple, but wait a beat to let the whisky settle—and add a bit of water—and that simplicity reads more as softness in texture. The flavors are expressive and consistent with the nose: lemon and lime zest, peach, apricot, and salty-peppery peat. It finishes with bittersweet smoke, tobacco leaf, black pepper, and lingering oak.
