**40%**

Deep amber color. Mature aroma-  
this is definitely an old whisky -  
with complex wood spices (cedar,  
vanilla, mint, caramel) and soft  
ripe fruit. Medium bodied and soft.

Surprisingly balanced on the  
palate with an incredible depth  
and maturity. Its flavors are similar  
to its aroma, but a soft sweetness  
compliments the flavors and  
provides balance. Soothing,  
mellowing finish of considerable  
depth.
