

**Gordon & MacPhail
(distilled at Strathisla)
40 year old**

40%

Deep amber color. Mature aroma-
this is definitely an old whisky -
with complex wood spices (cedar,
vanilla, mint, caramel) and soft
ripe fruit. Medium bodied and soft.

Surprisingly balanced on the
palate with an incredible depth
and maturity. Its flavors are similar
to its aroma, but a soft sweetness
compliments the flavors and
provides balance. Soothing,
mellowing finish of considerable
depth.
