	Whisky
×××	Glenlivet Caribbean
	40%
	A portion of the whisky that went
	into the mix was finished in
	Caribbean rum casks, not the final whisky. The rum barrel finish does
	shine through. The nose is sweet
	with cane sugar, tropical fruits,
	malt, coconut, and banoffee pie. Smooth on the palate, relatively
	light-bodied, and easygoing, with
	clear rum notes, fudge, honey,
	cereal, and developing bitter orange. Cinnamon and oak char in
	the relatively short finish. Great for
	mixing.
