Gordon & MacPhail (distilled at Strathisla) Cask #8510, 25 year old, 48.7%

Very thick in texture and mouthcoating -- almost chewy -- with ripe barley, shortbread cookies, and honey up front. Dried vanilla, violet, cinnamon, and bright fruit notes emerge midpalate. The dried spices and moderate oak tannins linger on the finish, contrasting the whisky's rich, sweet entry. If this whisky were a road, there would be a lot of hills.
