Elijah Craig Barrel Proof Batch B517 was our Whisky of the Year in 2017, and this latest release continues the tradition. The nose exudes spice, rich chocolate, and caramel, followed by a palate that's loaded with spice, herbs, vanilla, and more chocolate. Water enhances the spice, and also brings out an espresso note. A spice-filled finish is rich and chocolaty. Water enhances it all, but even without, it's superbly balanced and rich.
