Master's Keep Bottled
in Bond Kentucky
Straight Bourbon
50%**

Oak always leads the character of well-aged bourbon, sometimes dominating it, but here the balance is just right. The nose gives an impression of sweet syrupy fruit, like candied orange peel and cherries jubilee; there's also creamy flan, dusty spice, cocoa powder, and leather bookbindings. Richly oaked and dense with flavor, the palate has dark chocolate, roasted walnuts, cola, black currant jam, and peppermint. It finishes generously with mint-flavored dark chocolate, blackberry jam, and coffee bean. Skip the water. (14,400 bottles)
