

Talisker 30 year old

51.9%

Surprisingly clean and youthful for a 30 year old, both on the nose and palate. Complex, too, with a sea breeze freshness, vanilla malt, polished oak spice, smoked seaweed, lightly tarred boat docks, toasted nuts, and lingering telicherry pepper. Mature, yet still quite powerful. Rivals the original Talisker 25 year old and the Talisker 18 year old as one of the finest Talisker whiskies ever released.
