

**Old Dominick Huling  
Station Very Small  
Batch Bourbon**

**50%**

Swirling aromas in the glass make it hard to pick out distinct notes, but a few emerge: mint leaves, leather bookbinding, raisins, grape jelly, and—after some time and water—caramel and candied peanuts. Light and silky in the mouth, a few drops of water make the flavors pop: cherry pie filling, berry and grape jams, chocolate, polished oak, and maple syrup.

The finish has dark fruit, dark chocolate, and lengthy mint and tea leaf. (18,000 bottles)
