

**Borough Armagnac
Cask-Finished Bourbon
(Batch 03)**

44%

From Washington, D.C.-based distiller Republic Restoratives, this is an Indiana-made bourbon aged 5 years and then finished in armagnac casks for about 8 weeks. The nose offers light notes of dried figs and fragrant herbs, as well as a distinct back note of earthiness. Nutty, oily, and somewhat dry on the palate, with spice and restraining oak tannins leading to a finish that's also dry but with flavors of vanilla and light nuttiness. (14,000 bottles)
