

## **Talisker Distillers Edition**

×

**1992 vintage, 45.6%** Matured in amoroso casks. The amoroso softens Talisker's fiery personality and adds a gentle sweetness not normally found in Talisker. There's a lot going on here-notes of toffee and dark chocolate, layered with bitter orange, seaweed, kippers, smoked nuts, damp peat, and kalamata olives, finishing with a peppery glow. Not an every day dram-one has to be in the mood for a whisky like this. (With sausages during brunch, perhaps?)
