

Balcones Texas Bock Straight Malt Whiskey

50%

Balcones has partnered with fellow Texan Spoetzl Brewery in the past, supplying barrels for the Shiner bock and märzen-style beers. This is its first whiskey distilled from Spoetzl beer. Its dark hue hints at an earthy, malty profile, and the nose delivers rich malt, spice, dried fruit, dried leaves, and oak. Rustic on the palate, with caramel and oak char. More malt on the finish, with water bringing out some sweetness. (6,000 bottles)
