

Nikka Days

40%

An accomplished blend packed with appealing flavors from Miyagikyo and Yoichi Distilleries.

Honey, baked lemon, vanilla essence, brioche, golden syrup, and spring tree blossom aromas, with hints of butterscotch and caramel. Smooth, rich, and rounded, this has toffee, chocolate, red berry fruit, plum, vanilla pod, a touch of oak char, and clipped spices. A flash of peat smoke on the finish, with flavors of burnt sugar, baked fruits, and spices.
