

**Eifel German Rye (2019  
Edition)**

**46%**

This is a colossal rye, the result of 2 years in first-fill and refill red wine barrels, and 2 years in malaga casks. The nose suggests a thick, velvety dram of dark rye bread, cinnamon, nutmeg, rosemary, prune juice, sultana, and pecan pie, with herbal undertones. On the palate there is dark smooth toffee, stewed plum, bramble, and spun sugar stalked by ginger, pepper, and cinnamon. Oh, the Manhattans you will make.
