

**Old Overholt Bottled in
Bond Rye (2020
Edition)
50%**

This relaunched version of Old Overholt's bonded rye is not chill-filtered, and it makes a noticeable difference. Aromas of cinnamon-sprinkled apple slices, toasted grain, spearmint and peppermint candies, and Cinnamon Life cereal carry into the palate, which balances oak and grain superbly: fresh mint, licorice, black pepper, allspice, cinnamon, cacao nibs, and walnuts. The vivacious spices almost pop in the mouth, but settle down into a satisfying finish of black pepper, cacao, mint, and well-integrated oak. Well-balanced without water, but a few drops serve it well. *Best Value*
