

Puni Sole

46%

A decent progression of flavor, with PX cask influences: heather honey, toasted oat and sultana granola, hearty prune and fig notes, vanilla essence, roasted spices, peppercorn, and baked ginger loaf. Plenty of flavor here, but it needs more body to complete the experience; golden syrup, spices arrive and depart quickly, leaving oozy caramel, cereal bars, dried and tropical fruits, fruitcake, and nutmeg, ending with bramble, black cherry, and peppery spice.
