

Talisker Prima & Ultima
31 year old 1988

51.4%

Fresh fruits and white pepper on the nose, with brine and rock pools. Very little smokiness. The palate is also fruit forward—ripe red apples and pears—with barley sugar. The peat is now much more apparent, along with prickly spice. Mildly medicinal. Salt and black pepper in the long finish. Price is for entire Prima & Ultima Collection, of which this whisky is a part. (721 bottles) £20,000

—Vol. 29, #4
