

**Big Peat Prohibition
(Batch 88)**

54%

This breezy, coastal dram revels in aromas of lemon, pine needle, ozone, clotted cream, lavender, rock pools, and light peat smoke, though there's no smoking Tommy gun. A good-weight dram with bitter lemon, royal icing, vanilla, and toffee, plus assertive pepper, oak char, and burnt sugar that pummel away like a street fighter, finally calming to an olive oil finish. This is a proper Islay whisky, if you dare. (*U.S. Exclusive*; 2,000 bottles).
