A complex nose of leather, cedar chest, black tea, cooked cherries, rich spice, and polished oak; water brings out bright citrus, green apple candy, and blackberry cobbler filling. Dark chocolate, cooked cherry, fresh ginger, licorice, black pepper, and nuts on the palate; spearmint, licorice, and tobacco appear once water is added. Extremely lengthy finish with licorice tea, caramel, dark chocolate, polished oak, and spearmint. You might want to tough it out at barrel proof, but water benefits this whiskey, and saves your taste buds.

—Vol. 29, #5
