Distilled in Tennessee from a mashbill of 84% corn, 8% rye, and 8% malted barley. Licorice, candied melon, breakfast cereal, cream soda, vanilla ice cream, and strawberry tart on the nose. A rich palate offers balanced spice, banana, cherry cola, strawberries and cream, chocolate, and baking spice. The finish is smooth, with light earthiness, tobacco leaf, and fragrant oak, followed by brown sugar, coconut, chocolate, and spice at the back.
