An effusive nose, with aromatic notes that become almost incense-like—cardamom, cedar, pine resin—as well as sweet berry notes, lemon, milk chocolate, and graham cracker. The palate is fresh and intense; breathe out mint on the exhale. Licorice tea, cacao, horehound candy, and plenty of oak are carried by the chewy, full texture. Peppery mint, oak char, baking chocolate, and pine on the fairly lengthy finish. Sprightly, original, and exciting.
