

**Kirkland Signature Sour
Mash**

40%

Lemon grove, bananas and cream,
blackberry jam, coconut flakes,
and brown sugar on the nose, with
black tea and a chalky mineral
back note. The palate is soft and
round, with notes of whipped
cream, cooked blueberries, gentle
nuttness, peppermint, and
allspice. The finish is subtle in
profile but has good length,
offering pleasant spice, dark
chocolate, red berries, and mellow
oak. Balanced spice and lively fruit
make for some pleasant sipping.
