

## The Busker Single Pot Still

44.3%

Red apples bob in a sea of pot still  
spice on the nose, with whole  
almond, strawberry tarts, and  
brown sugar lumps. This is  
smooth, light, and delicious, with  
grilled muffins, bourbon biscuits,  
spice, vanilla, and well-toasted  
granola, with a later development  
of plum and blackberry. Burnt  
sugar and more spice on the  
finish.
