

The Whistler Calvados Cask-Finished

43%

The Whistler is emerging as a standout Irish whiskey for the quality of its flavors. After a 15-month finish in Château du Breuil calvados casks, look for aromas of caramel apple *clafoutis*, pressed cider apples, and layers of honey, vanilla, ground spice, and floral top notes. Green apple, honey, barley, and vanilla ride a tide of peppery spices, leaving light brown sugar, apple cereal bars, and a long, spicy finish. (3,000 bottles for U.S.)
