

Mars Tsunuki The First

59%

Aromas of ripe peach, barley, dry spices, waxy green leaves, baked citrus, scorched earth, and dried flowers on Hombo Shuzo's debut whisky from Mars Tsunuki Distillery, produced in the 2016-2017 season. Sipping reveals sweet orange, chocolate, and clove, though the spices are straining at the leash and the high-strength alcohol can KO unwary taste buds. Dilute and the fruits shine beautifully while the spices are kept in check. (9,984 bottles)

—Vol. 29, #5
