|   | Drink this the next time you want                                       |   |
|   | a mug of hot chocolate by a   |   |
|   | roaring peat fire. Whole lemon,<br>earthy chocolaty peat notes,         |   |
|   | gentle ashy smoke, mocha, and   |   |
|   | Nutella on the nose, with some  |   |
|   | deeper sooty charcoal notes. After<br>a 32-month finish in Islay casks, |   |
|   | this carries plenty of weight, with                                     |   |
|   | flavors of chocolate brownie,   |   |
|   | dates, cocoa powder, and light<br>ground pepper that intensifies into   |   |
|   | a riot of smokin' hot peppercorns.                                      |   |
