

Fukano (2020 Edition) 

40.6%

A mercurial nose like many rice whiskies: pear, honeydew, chopped ginger, lemongrass, green herbal notes, wild garlic, white pepper, mineral elements, and seashells. Drawn from a combination of refill sherry, refill new oak, and one red wine cask, the aromas are matched by a dense palate of honey, herbal notes, melon, poached pear, ginger spice, lemongrass, pepper, vanilla, and lemon peel, with a tingly, spicy aftertaste. Definitely worth experiencing. (3,824 bottles)
