You looking for adventure, my friend? Follow me. Enveloped in sweet aromatic smoke, this wraps you in a headlock, enabling smoke to snake into your nostrils and blow out both ears. Blistering smoky precision, with shredded lemon peel, *île flottante*, toffee, jasmine, and cinnamon bark. A palate of lemon meringue pie, vanilla, light toffee, and pepper conceals its true strength. For hedonists: Rowdy, with a chance of peat for all. (278 bottles, 90 for U.S.)—
