

Shelter Distilling
Embers Peated (Barrel
No. 33)

46%

The sweet, mineral, herbal smoke of this whiskey is a rare treat, calling up memories of the shells of grilled oysters, smudging a bundle of sage, and lightly charring marshmallows over a campfire. Subtly smoky on the palate, well-woven with sweet confectionary notes of meringue, candy cigarettes, and powdered dried lemon zest. It finishes mild and still sweet, vanilla and coconut on the final breath. Curious, unique, and delightful.
