(Wheat Recipe)**

**50%**

Raspberry cobbler, candied watermelon rind, caramel, peanuts, and violets on the nose. The palate is earthy and malty, balanced against sweeter notes of Juicy Fruit gum, cherry cola, and semi-sweet chocolate. Water brings out spice, along with caramel, brown sugar, and generous oak influence. On the finish, toasted oak is balanced against notes of raspberry jam and chocolate-covered strawberries.

Pleasant and luscious, with pronounced but balanced spice.
