

Westland Garryana (5th Edition)

50%

Virgin Garry oak matured 36% of this peated single malt, and 64% was matured in new American oak. Whiffs of powdered candy, bonfire smoke, grilled meat, dried strawberries, and antique shop on the nose. A robust, diverse palate features vanilla, allspice, cooked peaches, black tea, candle wax, and bitter chocolate as the smoke drifts into the background but never leaves, lingering into the finish to play against notes of honeycomb, vanilla cream, and cooked red fruits. (5,625 bottles)

—Vol. 30, #2
