43%

The nose starts with pleasant floral and lemon peel overtones as well as an herbal note, leading to aromas of macaroons and confectionery powder. Sweet notes of lemon cookie, sugared almonds, and cinnamon ride across the palate, with water coaxing out spice and bitter chocolate. Fresh vanilla cookies punctuate the finish, with an integrated array of baking spice, tiramisu, chocolate babka, cinnamon bun, and lemon. Balanced, complex sweetness melding with citrus and spice.
