

Hinch Peated

43%

The nose offers antiseptics, Band-Aids, caramel, lemon peel, grassy smoke, and aniseed balls. As it unfurls, the smoke combines with notes of rich chocolate brownie and earthy peat. Honeyed, with sweet smoke on the palate, juicy citrus notes, sherbet, vanilla, ice cream wafers, clementine, and a bright finish of tangy citrus and sherbet. Dangerously drinkable, and one you'll want to keep within easy reach for a second pour.
