

Method and Madness Chestnut Cask-Finished

46%

Perfumed and earthy aromas dominate the nose: dried roses and orange peel, talcum powder, moss, sandalwood, granola, toast with honey. Flavors of toasted cedar, spruce, and moss, woven with spice and pecans, are juxtaposed with bright lemon, almond cream, orange blossom water, and rose petals. The finish is soft and savory, with lingering earthiness. A curious profile that dips and weaves, its character almost intangible, but ultimately in balance.
