

Stauning Rye

48%

Distilled predominantly from floor-malted locally grown rye, the first impression is one of spiciness, with peppercorn, clove, cardamom, dark rye bread, dried apple rings, cinnamon bark, and pear. It's like a country kitchen in the fall. The taste is initially light and creamy, like malted milk, though the body fattens up with red apple, cranberry, clove, and pepper, ending with Bramley apples and a pleasant spiciness.
