

**Flóki Sheep Dung-
Smoked Reserve Single
Malt**

47%

Made from smoked Icelandic barley, the nose has earthy mushroom-farm notes, with herbs, damp grass cuttings, tree sap, toasted nuts, and fresh barley top notes. This begs to be poured over ice cream; sweet malt and banoffee caramel spill over the taste buds with toasted almonds, ripe banana, and an edge of spice.

The thick, heavy mouthfeel negotiates cinnamon, burnt sugar, subtle smoke, and blackened wood to finish.
