Bright, fresh, and sweet on the nose, with green apple, melon, sugared lemon slice, almond cream, vanilla, and a hay field in the sun. The proof gives this ample body and allows flavors of fizzy lemon, fresh ginger, orange scone, caramel-dipped apple, honeysuckle, and toasted coconut to spread out over a layer of savory oak. It's not quick to move on, lingering with a rounded finish of white pepper, fresh ginger, lemon oil, and oak. (*Editors' Choice*)
