

Loch Lomond Original

40%

Restrained and refined, the nose is bright with orange blossom, honeysuckle, peaches, pineapple, grapefruit, almond, and pistachio. The flavors are consistent, tending toward sweetened fruit—candied grapefruit and orange peel, grilled pineapple, brown sugar-coated almonds—bound in a creamy length of silk. Polished oak offers a savory counterweight to the finish's sweet-floral notes of citrus oil and rose water. One of the best entry-level single malts on the shelf. (*Best Value*)
