

## Barrell Armida

56.05%

From the inventive minds at Barrell comes this whiskey, a blend of three Tennessee bourbons each finished separately in Jamaican rum, pear brandy, and Sicilian amaro casks. The nose is highly fruity and herbal, almost gin-like with notes of mint, grass, lemon and lime, pineapple slices, and wild strawberries. The palate is candied with Smarties, Runts, and mango. The finish is more of the same with lemon-lime candies. The unorthodox cask treatment creates some unexpected flavors, with the high proof amplifying the peculiarity.
